

Complaints and Appeals Policy: Overseas Students

1 PURPOSE

The purpose of this policy and procedure is to provide information and outline the determination to proceed with an appeal or complaint. Through this policy and the corresponding procedure, FIT Education commits to ensuring that overseas students have the right to natural justice through effective, timely, equitable and documented complaints handling and appeals processes. ^(10.1)

This policy has been developed to satisfy the requirements of The National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2018, known as 'the National Code 2018' Standard 10.

2 SCOPE

This policy applies to all current and prospective overseas students of FIT Education.

3 DEFINITIONS

Appeal	<p>When a student is dissatisfied with a decision made by FIT Education, that student has the right to contest it by means of an appeal.</p> <p>The appeal is a process whereby the decision is reviewed and re-evaluated with any evidence or argument that the student wishes to include for consideration. The appeal may have one of two outcomes:</p> <ul style="list-style-type: none"> - Appeal upheld meaning the decision is overturned. - Appeal rejected or not upheld, meaning the original decision stands
Assessment	the process of collecting evidence and making judgements on whether competency has been achieved, to confirm that an individual can perform to the standard required in the workplace, as specified in a training package or VET accredited course.
Grievance	a concern about academic matters, perceived discrimination, situation, a process, person or people, facility or a support service provided by FIT Education. Grievances are less formal/official than complaints, whereby a student brings a matter to the attention of FIT Education in an informal way i.e. it is spoken about, not written down
Complaint	a formal complaint takes place if a grievance cannot be resolved informally (for example, the affected parties discussing the matter), and is written down for official processing
Complainant	student or potential student lodging the grievance or complaint

Internal complaint or appeal	means a complaint or appeal made by an employee or staff member of FIT Education
SSO -	an acronym for Student Support Officer, members of staff providing support for the needs and wellbeing of all overseas students
Third party.	any party (person or group/organisation) providing services on behalf of FIT Education but not including a contract of employment between FIT Education and its employee

4 POLICY STATEMENT

As part of our commitment to providing a fair and equitable student experience, the following complaints handling and appeals system has been developed and is freely and readily accessible and clearly explained to all students and prospective students on our official website, the student handbook and at student orientation.

- 4.1 FIT Education acknowledges that students have the right to raise grievances and make complaint where they see fit.
- 4.2 FIT Education acknowledges that students have the right to appeal an assessment decision, based on valid grounds for appeal.
- 4.3 FIT Education has provision for students to appeal against assessment decisions, including those made by staff members or by a third party partner and will respond to any complaint or appeal made against any of these parties.
- 4.4 FIT Education ensures that students have access to a fair and equitable process for lodging an appeal against an assessment decision.
- 4.5 In doing so, FIT Education:
 - has written processes in place for collecting and dealing with appeals in a constructive and timely manner (see Complaints Procedure and Assessment Appeals Procedure);
 - ensures that these procedures are communicated to all staff, third party partners and students;
 - ensures that each appeal and its outcome are recorded in writing;
 - ensures that each appeal is heard by an independent person or panel;
 - ensures that each complainant has the opportunity to formally present their case free of cost;
 - ensures that each complainant is given a written statement of the appeal outcomes, including reasons for the decision;
 - retains written records and statements of the outcome of the appeal or complaint;
 - takes appropriate action upon the subject of any appeal that is found to be substantiated; and
 - utilizes outcomes of appeals to review current practices which may potentially lead to continuous improvement.
- 4.6 An assessment appeal must be lodged within 7 calendar days of the date of the assessment result notification to the student.
- 4.7 If the complaints or appeals process fails to resolve the appeal or the complainant is not satisfied with the outcome of the appeal, the matter will be referred to an independent third party for review, at the request of the complainant.
- 4.8 All appeals are acknowledged in writing and finalised as soon as practicable.

- 4.9 FIT Education may charge a fee for the appeals process where an external assessor is engaged. Should this be the case, all costs incurred will be advised to the complainant.
- 4.10 FIT Education strives to deal with appeal issues as soon as they emerge, in order to avoid further disruption or the need for a formal complaint process.
- 4.11 All appeals will be handled 'In-Confidence' and will not affect or bias the progress of the participant in any current or future training.

5 RESOLVING GRIEVANCES

Students or potential students are encouraged, wherever possible, to resolve grievances directly with the person(s) concerned. For example: if the issue concerns an academic matter, the complainant should talk directly with their trainer. Similarly, any issues relating to fees should be discussed first with the Administration Co-ordinator.

If the student has attempted to resolve the issue directly, but is not satisfied with the outcome or does not wish to approach the person(s) concerned directly, he/she may discuss the issue with the Student Support Officer. The student may be accompanied by a support person during this process.

CEO will consider the issue and may either suggest a course of action to resolve the issue, or attempt to mediate between the student and the staff member(s) concerned.

If the matter is not resolved informally the grievance may be put to a complaint, whereby the student can complete a Complaint Lodgement Form.

5.1 COMPLAINTS

To commence the formal process, the complainant must complete a Complaint Lodgement Form (available from Administration Co-ordinator). The following information needs to be provided in writing:

- a) outline the details of the complaint;
 - b) supporting information that the complainant wishes to have considered;
 - c) an explanation of the steps already taken to try to resolve the complaint informally;
 - d) why the responses received are not considered satisfactory if applicable and
 - e) what the complainant thinks needs to be done to address his/her concerns
- The Complaint Lodgement Form will be lodged within 7 calendar days. CEO will commence the process of considering the complaint, and will acknowledge receipt of the complaint in writing to the complainant.
 - CEO will ensure all steps are taken to resolve the complaint as soon as is practical, with the assessment of all complaints and appeals commencing within 10 working days of lodgement.
 - Complaints or appeals wherever possible are to be resolved within 15 working days of the initial application.

5.2 COMPLAINT OUTCOMES - UNSUCCESSFUL

If the complainant is not satisfied with the outcome of their complaint they have the option to seek outside assistance to pursue the appeal. If the overseas student is not successful in our internal complaints handling and appeals process, they must be advised within 10 working days about their rights as an overseas student to access an external complaints handling and appeals process at minimal or no cost. They may wish to contact the International Overseas Student Ombudsman as an independent reference. Contact details:

Should the decision of the internal complaints handling or appeal process or any external process be in favour of the overseas student, that decision shall be implemented immediately. Any resulting recommendation and/or preventive or corrective action required by the decision shall also be taken as soon as practicable. All decisions and changes/actions will be recorded and the student will be notified in writing of the action taken.
